OFFICE OF THE FIRST MEMBER OF COUNCIL
MAR 21 1941
No. 5608

From

The Secretary to the Hon'ble the Resident

7.61-40/W dated 11th March 1941

regarding that full particulars of the personnel may be sent in the forms attached

1) Information regarding technical personnel available in Mysore was obtained from

1. The Director of Industries & Commerce.
2. " Government Director, Industrial Concerns
3. " Chairman, Mysore Iron & Steel Works
4. " General Manager, Mysore Railways.

and a list of such personnel was sent to the Residency

Ref "U"

2) The Residency have now sent a list stated to be from the Chairman, National Service Labour Tribunal, Madras.

3) The two lists do not tally and it is not known wherefrom the Chairman of the Madras Tribunal obtained his information.

4) It will thus be not possible to supply full particulars of the personnel apart from the list sent by us.

5) If approved the Residency will be informed that the two lists do not tally and that particulars of the personnel mentioned in our list will be sent early.

In the meantime the lists sent by the Residency will be sent to the officers who supplied information originally for being filled up.

6) Submitted for orders with two drafts. As the General Manager, Mysore Railways stated he had no men to spare, 2nd letter is not addressed to him.

Done 21/5/41

16) D.S.Rao 21.5.41

Demi Reminder P 5974 dated 26.5.41 to the Chairman, Mysore Iron & Steel Work. Bhadravati.

From

The ~~Chairman~~ Secretary, Board of Management Mysore Iron and Steel Works, Bhadravati

letter no B. 257 . . letter 24.6.41

Stating that none of the men are willing to join the Naval Service.

17) At the request of the Residency information was called for from the Director of Industries and Commerce, Govt. Director Industrial Concerns, Chairman Mys. I & SW and the General Manager Mysore Railways was called for as to whether any and if so how many men belonging to Certain trades could be spared, if necessary, for work in Munition factories in British India. A Consolidated list as sent by the Officers was

NOTE—Contn. Sheet.

Technical personnel available in Indian States

7397
P

File No. of 194 . | General and Revenue Secretariat

Serial No.

thereafter sent to the Residency.

16) Later the Residency enquired that the information may be sent in a particular form sent by them. The Officers were requested to do so.

17) The Govt. Director Industrial Concerns and the Director of Industries and Commerce have sent the information — the M. I. & S. W intimate that some of the men mentioned earlier have left service, some have now declined and the Men want to know the terms of service before expressing their willingness.

20) In British India under the National Service (Technical Personnel) Ordinance, the workers could be Compelled to undertake service in a munitions factory. In mysore in the absence of such legislation, service has to be purely Voluntary.

21) A draft to the Residency is submitted for orders.

Bm
2.7.41.

22) The Govt Director of Industrial Concerns and the Director of Industries and Commerce have sent particulars of the personnel. The Mysore Iron and Steel works State, however, that none of the men who were in view when the original list was sent, is now willing to join the National Service.

23) This attitude of the employees of the Iron and Steel works does not appear to be quite proper. It is seen from the list relating to the Works that

Serial No.

more than 80 persons are shown to be available for national Service. It would not now look proper to say that none of them is willing to take up such service. It may be that some of the employees have left the State and joined Service elsewhere; but the particulars in respect of other persons should have been furnished. Some of them are said to be anxious to know before hand the terms of Service and the ~~place~~ place where they are likely to be posted for Service. It may be observed in this connection, that Rule 5 (1) of the National Service (Technical personnel) Rules 1940, provides that in fixing the Salary, due regard shall be had to the salary or wages of which the employee was in receipt in his previous employment; and Sub rule (3) provides further, that in fixing the Salary or wages to be paid to a person taken into employment in the National service under clause (b) of Section 7, the Tribunals shall endeavour to ensure that the economic position of such person does not suffer by reason of his being taken into such employment. In these circumstances it does not seem expedient to inform the Residency either about the unwillingness of the employees or their anxiety to know before hand the terms of Service.

NOTE—Contd. Sheet.

7397

File No. of 194 . | General and Revenue Secretariat

Serial No.

24 It is also possible that if we say that the persons are unwilling to accept national service, this Govt may be compelled to pass necessary legislation (corresponding to the National Service Ordinance) which will vest this Govt with power to require the technical personnel to undertake employment in national service.

25 The Iron and Steel works are said to be engaged in war efforts and it is also reported that the Works are now short of skilled labour to cope up with war orders in their shops. I would therefore suggest that in respect of technical personnel in Bhadravathi we may inform the Residency that a number of employees have left the works and joined the industries outside and that others cannot be spared as the works are now short of skilled labour to cope up with war orders. The particulars of the Technical personnel, received from the Govt Director of Industrial Concerns and the Director of Industries and Commerce may be forwarded to the Residency.

Ref No. B. 257

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Dear Sir,

TECHNICAL PERSONNEL available in Indian States for employment in the National Service.

With reference to your letter No.P.4807-9 dated the 25th March 1941 and subsequent reminders ended with No.P.5974 dated the 26th May 1941 addressed to our Chairman, I beg to state that the persons selected amongst the supervisory staff had agreed to go at the outset. They have now reconsidered their decision and all of them have now declined.

Regarding Turners and Machinists, most of the men then in view have left the Works and joined the industries in Bombay, Satara and other places. The Works are now short of skilled labour to cope up with war orders in our shops.

The Blacksmiths, Acetylene Welders, Moulders and few others wish to know the pay and allowance they will be given and the places they will be sent to before giving their decision.

Under the circumstances, I beg to state none of the men who were then in view is willing to join the National Service.

Yours faithfully,

for SECRETARY,
Board of Management.

Enclosures

SIR,

Subject:- Technical personnel available in Indian States for employment in the National Service.

With reference to your letter No. P.363 dated 24th July 1941 on the above subject, I have the honour to state that of the persons who were available for National Service at the time of my writing to you on 3rd April 1941 (furnished in Forms A and A1 enclosed thereto), only two viz., Messrs. M. Narasimha Iyengar and G. Natarajan are continuing in the Central Industrial Workshop, the others having left the Workshop in the meanwhile. It is ascertained that even these two candidates are now unable to accept the National Service on account of various private reasons. No technicians are therefore available at present in the Central Industrial Workshop, for employment in the National Service.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR.

No.170

BANGALORE

4th August 1941.

The Chief Secretary to Government,
Public Offices,
Bangalore.

CHIEF SECRETARY 4. AUG. 1941 GOVT. OF MYSORE.

Dear Sir,

Subject:- Technical Personnel available in Indian States for employment in the National Service.

Adverting to your letter No.P 365 of the 24th July 1941 on the above subject, I have made necessary enquiry and find that the consent of the employees to accept National Service was not obtained at the time the list of personnel available was submitted to you, as no such instructions were conveyed in your letter dated the 26th August 1940, but the employees generally agreed to join the service when called upon.

Though the supervisory staff are all working here, most of the Technical men like Turners, Mechanics, etc. have since left the Works and the Works themselves are now short of skilled labour, and the Works now are not in a position to spare men. The Works have lately been constituted into a centre for training War Technicians and the first batch is already being trained as Millers, Machinists, Turners, Fitters, Tin-smiths, Tool-makers, Boiler Attendants and Welders and it is expected that these men will be available for service in about 6 to 9 months from now. Under the circumstances I suggest that this question may be dropped.

Yours faithfully,

Chairman.

Subject: Technical personnel available in Indian States for employment in the national service.

S i r,

I am directed to invite reference to correspondence on the above subject ending with this office letter No.Pol.151 dated 24th July 1941 and to state that since sending you the list of technical personnel available in Mysore for voluntary national service, it has been reported to Government that most of the men whose names were included in the list have left service and are believed to have joined industrial concerns outside Mysore. It is also learnt that the Mysore Iron and Steel Works, Bhadravati, from which most of the technical personnel were reported to be available is now itself short of skilled labour in view of war orders.

In the circumstances and in view of the fact that the first batch of war technicians undergoing training at the Works are expected to be available for service soon, I am to suggest that the list sent to you may be kindly treated as cancelled.

I have the honour to be,
Sir,
Your most obedient servant,

For Chief Secretary to Government.
